INDIA'S PREMIER FAIR FOR
ENTRANCE AND SUN PROTECTION

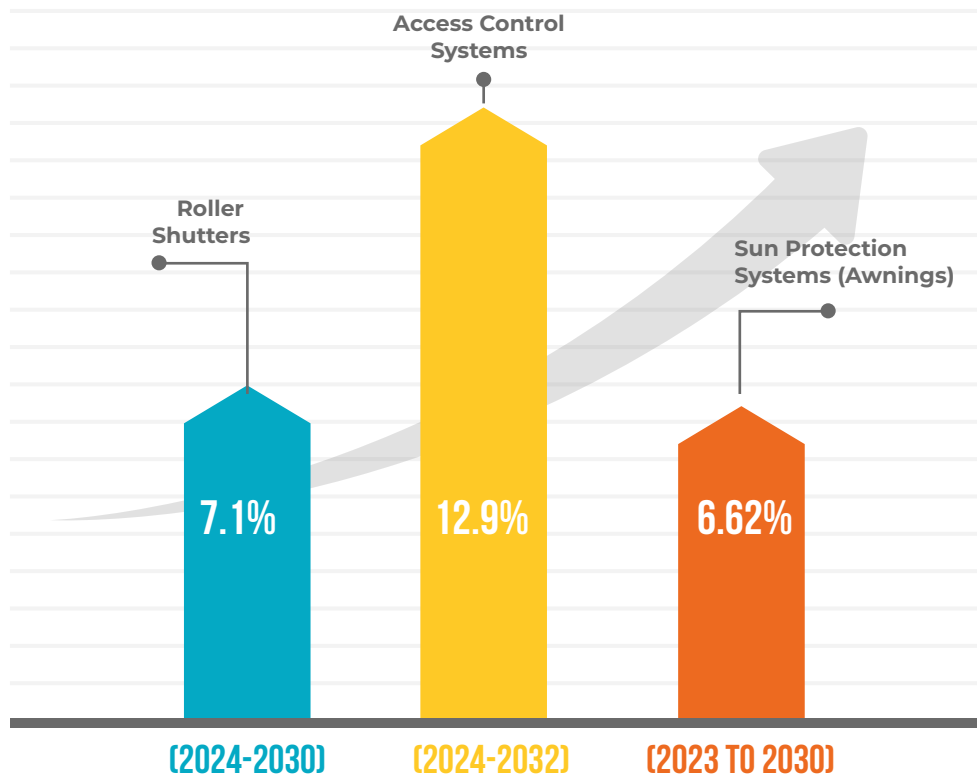

INTRODUCTION

VIS Exhibitions & Conferences and Media Fusion present the Entrance and Sun Protection Systems (ESP) Expo - India's premier trade fair that will redefine protection and access solutions. With India on the trajectory to build smarter, more efficient solutions in all its industries, this event comes at a crucial time.

ESP Expo will connect manufacturers of entrance systems like rollers, shutters, doors, gates, and sun protection systems like awnings, sun shades, blinds, with contractors, architects, construction companies, retailers and additional industries that are catalysts in increasing the demand for these systems.

The Indian Entrance and Sun Protection Systems Market at a Glance

ESP Expo 2026 has been curated to bridge the gap and spread awareness amongst users of these products about their importance, advantages and necessity through the 3-day expo and high-level conference.

HERE ARE SOME STATISTICS AROUND THE GROWTH OF THESE MARKETS IN THE INDIAN CONTEXT.

OVERALL GROWTH FACTORS

Urbanisation

Renovation trends

Technological advancements

Increasing demand in residential and commercial sectors

Expansion of construction activities

Rising consumer awareness of the benefits

KEY CHALLENGES FOR TECHNOLOGY AND SERVICE PROVIDERS

Market penetration

High-installation and maintenance costs

Regional variability in demand

Continued dependence on traditional solutions

Limited consumer awareness

EXHIBITOR PROFILE

Manufacturers and suppliers of:

- Roller shutters
- Automatic Doors
- Revolving Doors
- Turnstiles
- Security Gates
- Sensor Barriers
- Speed Gates
- Access Control Systems
- High-speed doors
- Dock Levelers
- Audio door entry systems
- Video door entry systems
- Keypad entry systems
- Proximity reader systems
- Biometric entry systems
- Smart locks
- Wireless door entry systems
- Gate entry systems
- Window films
- Venetian Blinds
- Roman Blinds
- Internal Sun Shading Systems
- Insect Protection Systems
- Awnings
- Shades
- Curtains
- Louvers
- Shutters
- Pergolas
- Smart Sun Control Systems
- Drive and control systems
- Window shutters
- Grills
- Fences

Components

- Locks
- Hinges and pivots
- Sensors and control systems
- Electronic access control devices
- Accessories for roller shutters
- Mechanisms for retractable awnings
- Mechanisms for blinds
- Mounting hardware and brackets
- Control systems for automated shading solutions

Machinery Suppliers and Manufacturers

- Automated assembly lines
- Cutting and shaping machines
- Finishing equipment
- Moulding machinery

Technology Providers

- Software solutions for access control systems
- Security management software
- Integration platforms
- Smart home integration systems
- Sensors for automated shading based on sunlight intensity

Textiles

- Technical Textile
- Fabrics
- UV-resistant materials

Consultants

- Entrance system design
- Security assessments
- Energy efficiency assessments
- Regulatory compliance

Design and Engineering Firms

Installation Service Providers

WHY EXHIBIT

LEAD GENERATION & SALES OPPORTUNITIES

Get direct access to potential customers, distributors, and partners, where face-to-face interactions can accelerate the sales process.

NETWORKING & INDUSTRY CONNECTIONS

The event offers you a platform to build relationships, find collaborators, and stay updated on market trends.

BRAND VISIBILITY & AWARENESS

Put your brand in front of a highly targeted audience, increasing recognition and credibility within your industry.

PRODUCT LAUNCH & MARKET TESTING

We are the ideal platform for launching new products, getting live feedback, and testing market responses before a wider release.

THOUGHT LEADERSHIP & CREDIBILITY

Grab the advantage of speaking engagements and panel discussions at our high-level conference to position your company as an industry leader.

COMPETITIVE ADVANTAGE

Seeing your competitors in action helps you understand their strategies and positioning. Also, reinforce your leadership in the industry.

ROI & LONG-TERM BUSINESS GROWTH

While exhibiting requires an investment, the long-term returns in customer acquisition, partnerships, and brand equity often outweigh the costs.

ABOUT THE ORGANISERS

VIS Group - An experienced and revolutionary hands-on trade show organizer and publication house, the VIS group has been serving India with pride since 2000. For the last 24 years, the group has brought about a positive change through several pioneering projects that impact the life of common man via unconventional methods and focus on the B2B industry. VIS Group organises tradeshows and events in India including Clean India Technology Week, Traffic Infratech, Smart Mobility, and International Housekeepers Summit.

Media Fusion - With offices in Dubai and Mumbai, Media Fusion has excelled over its 17-year journey in B2B publications, conferences, awards, and tradeshows across both countries. Today, Media Fusion is one of the fastest-growing trade show organizers, dedicated to spotlighting niche industries and providing platforms that foster innovation, dialogue, and fraternity. In India, it organises niche trade shows including the Plastics Recycling Show India, UTECH - India Sustainable Polyurethane & Foam Expo, CyberSec India Expo, Inter Passenger Terminal Show and Bharat Recycling Show.
